School District

July 29th, 2020

Wade Gemmell, Principal | Tel 604.858.3057 | wade_gemmell@sd33.bc.ca | <http://evans.sd33.bc.ca>

Dear Evans Elementary Parents,

I wanted to take a minutes and introduce myself to parents. My name is Wade Gemmell and I am the new Principal of Evans Elementary. While I hope that everyone is enjoying their summer, I am very much looking forward to meeting Evans families and getting to know the children at the school in the fall. This last school year has been like no other in recent memory and I wanted to update parents on some of the plans we are making for September.

At 12:30 today, I am of the understanding that the Ministry will make an announcement on their plans for elementary schools this September. My understanding at the current time is that we are trending towards a return to school full time for all students and as such, we are making plans accordingly. I will send out information to update parents on our plans for the school year later in August. Please also continue to check the school district and our website for the latest information.

Given some of the uncertainties this year, we have decided to deal with school supplies differently this year. Unlike previous years, we are requesting that parents buy individual supplies for their child this year. As such, we have [posted on our website](#) supply lists for the various grade levels ([Link Here](#)). These lists are intended to provide some general supplies at each grade level and ***individual teacher may request additional supplies once students are placed into permanent classes in the fall***. It is also recommended that parents place their child's name on individual supplies this year.

I hope that everyone keeps safe and enjoys the remainder of the summer and I look forward to meeting you and your child in the coming weeks.

Sincerely,

Mr. W. Gemmell
Principal
Evans Elementary School
