

EVANS ELEMENTARY PAC PRESENTS

OUR ANNUAL

Holiday Raffle Baskets

While fundraising will look different this year, we have found some safe social distancing ways to still proceed with our annual Holiday Raffle Basket Fundraiser.

Our annual Holiday Raffle Basket fundraiser is typically our most profitable event of the year. The funds from this event will go straight to paying for 2 much needed upgrades for our school; our new filtered, antiviral water station which was installed this last month and new laptops.

Your COHORTS have selected a themed basket below. Please send 1 item, or a small cash donation pertaining to the basket theme, by NOVEMBER 20th. To prevent the possible spread of COVID, all items will be bagged and stored until the baskets are created.

We will begin providing detailed video and pictures of all baskets, starting on November 23 on our PAC facebook page (Evans Elementary PAC). To maintain social distancing, tickets will be sold similar to coupon books this year.

Attached to this newsletter is a page of tickets. You can print out as many as you like. Tickets are \$0.50 each, or the entire page of 14 for \$5. We will also be sending each student home with a page of paper tickets on November 23 for those of you that do not have printers and would like to participate.

Fill them out with your information as well as which BASKET you'd like each ticket to be entered into and return them to the school by Dec 11 with your monies in a ziploc bag. Our PAC volunteers will cut and sort all the tickets for you. Basket winners will be pulled Dec 17th!

We appreciate the support
