Virtue for April– Our Virtue of the month for April is Cooperation !!

PAC Events -The Little Mountain Greenhouse forms have been sent home and are **due back on April 22nd**. Unfortunately we are unable to accept late forms for this event. Please contact the school or PAC if you would like to order and did not receive a form. We are planning to have a Sinabun hot lunch at the end of the month. Details on this will be sent home in the next little while.

(Repeat) Water Bottles – We are noticing that a number of students are asking for “cups” to get water from the water fountain. With COVID this is not an ideal situation. We would encourage parents to check with their children if they have a water bottle at school. Thanks for your help here.

Daily Health Check Reminder – Just a reminder that all parents should be completing a daily health check on their child BEFORE sending them to school each day. Children who are sick should remain home until they are well. To simplify this process there is an app and website from the BC Ministry of Education that you can access here:

- Website: <https://www.k12dailycheck.gov.bc.ca/healthcheck?execution=e1s1>

Thanks for your help in completing these daily health checks with your family.
