PAC Meeting – The next PAC meeting is **this Wednesday, May 6th @ 6:30pm** on Zoom. You can access the meeting [here](https://sd33-ca.zoom.us/j/62373824959). (<https://sd33-ca.zoom.us/j/62373824959>) We hope you will join us !!! Please check out [the school calendar](#) for PAC meeting dates and times or [our Facebook Page](#) to find all the great things that PAC does and how you can become involved. We hope you will join us at our next meeting.

Kinderfair – On May 6th, children (and parents) who will be in Kindergarten in September of this school year have been invited to the school to come and meet with the Kindergarten teachers to learning about our Kindergarten Program. Should you have a child registered for Kindergarten in the fall or know someone who does and they have not received an invitation to our Kinderfair, please have them contact the school.

Online Bookfair - Below is the link for our online book fair. The last 4 digits/letters are what make it our fair, otherwise, you're just shopping from their site. The book fair end on Sunday, May 9th. Funds raised will be used to purchase books for Evans Library. www.BookOutlet.ca/6NH8

(Repeat) Grade 4 & 5 Masks – A number of students in grades 4 and 5 are forgetting to bring masks to school. While we do have a few extras at the school we would ask that parents with children in grades 4 & 5 please check that their child has their mask before they leave home each day. Thanks for your help with this.

(Repeat) Evans Class Photos– Given the current COVID restrictions in place Mountain West is going to tackle class photos a little differently this year. They are going to build a photo montage for each class. Parents will then be given an online code when they can preview the montage and order a copy if they would like. The plan is to forward this information to parents in the next little while once the photo montage is ready for viewing.

Daily Health Check Reminder – Just a reminder that all parents should be completing a daily health check on their child BEFORE sending them to school each day. Children who are sick should remain home until they are well. To simplify this process there is an app and website from the BC Ministry of Education that you can access here:

- Website: <https://www.k12dailycheck.gov.bc.ca/healthcheck?execution=e1s1>

Thanks for your help in completing these daily health checks with your family.
