Hello Evans Parents,

Some of the events happening next week includes:

May 24th – **Victoria Day Holiday (No School)**

May 27th – Home Learning Package returned to the School (for families on Home Learning Program)

May 28th – **Wear Your Team Jersey to School Day**

May 29th – 9:00am Babysitting Course

June 1st – New Virtue of the Month - Creativity

Are You Moving ? – We are currently planning for the 2021—22 school year. If you are planning on moving or believe your child may not be at Evans next year, we would appreciate you letting the office know. While this does not need to be a firm commitment, it will help us in planning for next year.

Immunizations 12 – 17 Year Olds – Please find attached information on the Immunization process for 12 – 17 year olds from Fraser Health.

(Repeat) Temporary Change in School Principal – I just wanted to let parents know that from May 27th to June 11th, I will be on a temporary Leave of Absence as Principal of Evans to attend to some personal matters. Mr. Michael Kotanko, who is currently a Vice-Principal at Mount Slesse Middle School, will be on site as the acting Principal during this time. Please join me in welcoming Mr. Kotanko to Evans.

(Repeat) School Playground at the end of the School Day – Just a quick reminder to parents and families that our school playground needs to remain closed to parents and students at the end of the school day until about 4pm so we can follow COVID protocols. We currently have Wind and Tide after school care and the After School Adventures Program which needs to access the playground during these times. Thanks for your help with this.

(Repeat) Summer Learning Programs - The school district is once again offering summer learning opportunities to families. For families who may be interested in having their child attend or want information on program offerings as well as a link to register, these can be [accessed here](https://sd33.bc.ca/summer-learning). (<https://sd33.bc.ca/summer-learning>)

(Repeat) Community Parent Workshops – There are a number of parent workshops around Managing Mental Health I wanted to let parents know about. Please find the information attached.

Daily Health Check Reminder – Just a reminder that all parents should be completing a daily health check on their child BEFORE sending them to school each day. Children who are sick should remain home until they are

well. To simplify this process there is an app and website from the BC Ministry of Education that you can access here:

- Website: <https://www.k12dailycheck.gov.bc.ca/healthcheck?execution=e1s1>

Thanks for your help in completing these daily health checks with your family.
