Lost and Found Items – Our lost and found bin is overflowing. If your child is missing items please have them check the lost and found. We would ask that parents come into the school at the end of a school day and before the end of June to check for items belonging to your child. Any items left after the last day of school will be donated to charity.

Checking in at the Office – Just a friendly reminder that ***ALL parents MUST check in at the office*** even if they are only entering the school briefly. We value the safety of the children very much and this will help ensure this at all times during the school day. Thanks for your help with this.

Evans Website Calendar – Please note that our website calendar as of June 10th is up-to-date and contains the current plan for events at Evans between now and the remainder of the school year. [It can be accessed here.](#)

Parking by the School Entrance (on the curb) - We have been asked to remind parents ***not to park on the curb marked in yellow at the entrance to the school.*** This often happens at the end of the day and is impeding vehicles from entering the school parking lot safely. In the event of an emergency, first responders may not be able to access the building with vehicles parked there. Thanks for your help with this

Are You Moving ? – We are currently planning for the 2023—24 school year. If you are planning on moving or believe your child may not be at Evans next year, we would appreciate you letting the office (annette_morelli@sd33.bc.ca) know. While this does not need to be a firm commitment, it will help us in planning for next year.

School District Calendar for 2023 - 24 – Parents can access the [school district calendar here](#) or on the school district web site for a list dates next school year.

Evans Bell Schedule for the 2023 – 24 School Year – Just a quick note to parents that the bell schedule for the 2023 – 24 school year will be changing slightly. The morning bells will remain the same but the afternoon dismissal bell will ring at 2:01 pm.

10:05 – 10:20am Recess

School Supplies for 2023 – 24 School Year - We want to let you know our plan for student school supplies for the 2023 - 24 school year. In order to streamline the process and minimize costs to families, we are working with a supplier to bulk ordering supplies and will be asking families to pay ***\$45.00 to cover supplies for your child for the entire school year***. This is consistent with the current practice of many elementary schools around the Chilliwack School District. For classes that use a planner, there will be an additional \$8.00 cost. In September, your child's teacher will be in touch with you to collect funds for school supplies. Should this present a hardship for your family, please speak with your child's teacher at that time.

For parents who wish to purchase their own supplies, we will post a “generic” supply list in mid-June. Please note that ***these lists are not all inclusive*** and individual teachers may ask for additional supplies in the fall once classes have been determined. ***We encourage parents to let us do the shopping or wait until classes are set before purchasing supplies.***
